

SNEEZE GUARDS

LAWRENCE
FABRIC & METAL STRUCTURES

In today's world, both clients and employees expect to be given the best chance to stay safe. In addition to sanitizing, hand washing, and masks, a sneeze guard puts an added barrier at the main points of contact.

- **Standard Sizes:**

- 30" x 36" with 12" opening at the bottom*
 - 60" x 30" with 6" opening at the bottom*

- **Custom sizes available**
- **Quantity pricing available**
- **Fabricated with aluminum tubing and 1/4" clear acrylic**
- **Optional holes/slots designed to allow sound to pass while a protective film stops direct contact**
- **Mounted to counter via, double stick tape, velcro, mechanically or hang option**
- **Installation available upon request**
